

Finally, insurance that doesn't require a home visit.¹

Faster & less invasive

Now life insurance is less invasive with no in-person visits at home.

The **OLD** way

Application. You will complete an application covering your personal information and medical history.

Paramedical Exam. Typically, paramedics will be scheduled for a home visit, where they will:

- + review your medical history
- + take your height and weight
- + check your temperature, blood pressure, and pulse rate
- + perform some additional invasive elements of a physical exam

Application is submitted.

The **NEW** way from SBLI

Application. You will supply your insurance agent with some basic personal information.

Telephone Call. A 20-30 minute telephone call will be scheduled at your convenience and a courteous insurance professional will ask questions about your medical history.

Application is submitted.

Affordable as always. Even more convenient. Faster than ever.
